mi contraddico? ebbene, mi contraddico

come dice M. che diceva Walt Withman

"To the community of Venetianists. May we continue to have our differences, for scholarship would be a dull affair without them, but may we continue to have them with respect, affection, and the true spirit of scholarship. I have profited by your labors and your unselfish help".

quoted from: Donald E. Queller, *The Venetian patriciate. Reality versus myth*, Urbana, OH-Chicago, IL 1986

Edipo (et al.)

The myth of Oedipus, William Shakespeare's Hamlet, and Heinrich von Kleist's Prince of Homburg
